

## Whittington Church of England Primary School Home School Agreement

At Whittington Church of England Primary School it is our intention to:

- provide a welcoming, supportive, safe and secure environment;
- foster the development of spiritual, moral and cultural values and understanding;
- maintain high standards enabling children to realise their full potential and develop as independent learners;
- promote good behaviour, a sense of responsibility and consideration for others.

We will achieve this through a partnership between children, parents, staff, governors, the Local Authority, the Church and the community.
