Year 3 Stone Age Trip updated letter

Dear parents,

On Thursday 10th December I am planning to take the children to **Bishops Wood Environmental Centre** near Kidderminster for a very exciting **Stone Age day**. We will have a chance to participate in lots of hands on activities to further extend our knowledge and understanding of life in the stone age.

In light of these unprecedented times I would like to reassure you that Bishops Wood are fully compliant with Covid safety measures. Travelling to and from the venue, adults on the coach will be required to wear face masks. The children are not required to wear masks at any time.

We will be leaving school at approximately 9.30 am and will return in time for the end of the school day. As the weather may be cold the children will need to wear plenty of warm (old) clothes and a pair of wellies or sturdy shoes suitable for being outside in the woods. It can be very cold in the woods so a hat and gloves are essential. Two pairs of socks usually helps too!

The cost of the trip including all activities and coach fare will be £14.50. We should be pleased to accept your voluntary contributions in line with the Governors' policy on charging for school visits, by **Friday 20th November**. We no longer accept cash payment for trips. Our preferred method is to use Payment4Schools which can be accessed through our school website (for access details please contact the school office). Please note that if enough payments aren't made then we may have to cancel this trip.

NB If you have ordered a lunch through Aspens please cancel it and send a Packed Lunch.

Please do message me through dojo or ring via the school office if you have any queries about the day.

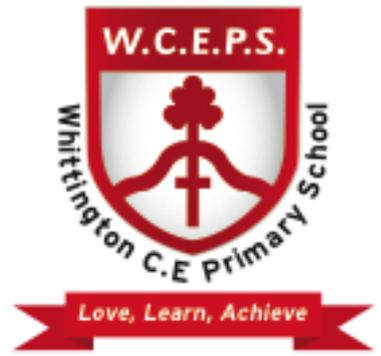

Many thanks,

Gaynor Mills
